Model Trains Reopen at the Castle Museum

The Saginaw Area Modular Modelers (SAMM) fully scenic, operational, HO scale electric model railroad has reopened to bring history and lots of fun to Castle visitors. With a brand new home on the lower level, SAMM volunteers have added several feet of track and scenery, guaranteeing a visually rich experience for the whole family. The railroad features various areas of Mid-Michigan, complete with rivers, buildings, tunnels, bridges, ponds, rock formations and two freight yards. The display will be open to the public during regular museum hours Tuesday through Saturday.

In honor of the reopening of this popular exhibit, the Castle is hosting a Train Party for children ages 6-10 and their chaperons from 1:00 – 2:30 p.m. on Saturday, March 8, 2008. For only \$3 museum members and \$5 non-members (per child), party-goers will enjoy a tour of the exhibit, themed make-and-take crafts, a scavenger hunt, building an edible train snack, games and more! Pre-registration for this event is required. Please call Mary at 752-2861 x 315 for details.

General Admission is \$1.00 for adults and \$0.50 for children. Members and their guests are free. For more information on this and other exhibits at the Castle, please call 752-2861.
