## **Castle Museum Receives 2020 MCACA Grant**

**SAGINAW, Mich.** – The Castle Museum of Saginaw County History has been awarded a \$20,000 operating grant from the State of Michigan Council for Arts and Cultural Affairs (MCACA). The grant was evaluated through the MCACA peer review process and awarded for the MCACA 2021 fiscal year.

“We are so pleased to receive this funding from the Michigan Council for Arts and Cultural Affairs. It’s wonderful that our local lawmakers and government officials from both sides of the aisle recognize the importance of supporting the preservation of local history,” said President and CEO Jonathan Webb.

The grant will be used to fund the museum’s operations including permanent and temporary exhibits, building maintenance, and events.

“These funds provide crucial support to help us preserve Saginaw County’s history and foster engagement through various outreach activities,” said Webb.
